

100 Years Exploring Life, 1888-1988: the Marine Biological Laboratory at Woods Hole ^[1]

By: Marine Biological Laboratory (Woods Hole MA)

In 1988 the Marine Biological Laboratory celebrated its centennial. In this well-researched, sometimes humorous, always human "biography" of this eclectic institution, historian of science Jane Maienschein catches a glimpse of what it is that has made the MBL so special to all who have spent any time there.
